## **Data Release: Military Family Support Programming Survey**

**Arlington, Virginia**

**In-person: 1 PM // Virtual: 3 PM**

presented by:

**ORACLE**  
Health

Since 2015, MFAN's **Military Family Support Programming Survey** has been the trusted source for data-informed, rich insight into the support needs of military and veteran families.

Join government, business, and nonprofit leaders as we uncover the most-pressing issues facing the military community — and create the path to solutions together.

### **A Can't Miss Event. Register Here.**

More families than ever have shared their experience in the 2023 survey, presenting a robust and diverse perspective

In-person and virtual attendance options make the findings accessible to everyone

Researchers, prominent leaders, expert opinions, and military family voices will bring the data to life
